

# Travel Response

## for Non-Emergency Hospital Transport

Commencing 1st October 2012

### What is Travel Response?

- It's a service that provides one number for you to call for information on non-emergency travel to hospital.

### How can Travel Response help?

- Travel Response will advise you on the travel options whenever you need to travel to and from hospital.
- Travel Response will book your free non-emergency ambulance transport if you are eligible.

### Who can use Travel Response?

- Anyone can use Travel Response as long as they are travelling to or from hospital.

Pick up a leaflet at your GP surgery or phone
